THETFORD

PORTABLE TOILETS

1+4) Two sections for optimum use:

Upper section is the flush tank and lower section is the waste holding tank.

2+3) Easy to fill:

Filling both the flush and waste tank is simple.

5) Integrated spout and vent plunger:

Emptying couldn't be simpler with the pouring spout. Pressing the vent plunger prevents any unpleasant splashing when emptying the tank.

6) Waste level indicator:

Only available on the SA1884 335 portapotti. Warning you in good time when to empty.
