

## SOLAR VENTS

**Smart Ventilation:** This new range of Solar Vents are perfect for both Marine and RV applications. This flexible range of Smart Vents offer a simple and easily installed solar ventilation system that will extract excess humidity and reduce condensation. The Smart Vent 300 also incorporates an integral NiMh battery that allows the Smart Vent 300 to be used at night or in poor weather. Can close off ventilation if required.

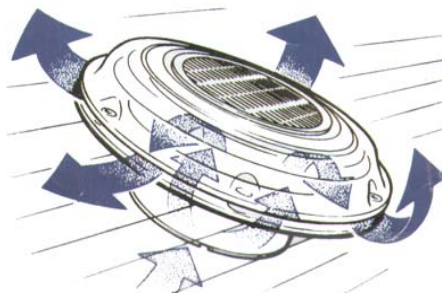

Cut Out Size 115mm  
Max Depth
